Introduction

School attendance is subject to various education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education and Hampshire County Council.

Section 1

Rationale / Statement of Intent:

For a child to reach their full educational achievement a high level of school attendance is essential.

We are committed to providing an education of the highest quality for all our pupils and endeavour to provide an environment where all pupils feel valued and welcome. Parents and pupils play a part in making our school so successful.

Every child has a right to access the education to which he/she is entitled. Parents and teachers share the responsibility for supporting and promoting excellent school attendance and punctuality for all. We believe therefore, it our duty to consistently strive to achieve a goal of 100% attendance for all children .

It is our duty to consistently strive to achieve a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

For our children to take full advantage of the educational opportunities offered it is vital your child is at school, on time, every day the school is open unless the reason for the absence is unavoidable. The routines children develop around attendance and punctuality at school are the same as the expectations of any future employer in the world of work. High attainment, confidence with peers and staff and future aspirations depend on good attendance.

Good attendance is important because:

- Statistics show a direct link between under-achievement and absence below 95%
- Regular attenders make better progress, both socially and academically
- Regular attenders find school routines, school work and friendships easier to cope with
- Regular attenders find learning more satisfying
- Regular attenders are more successful in transferring between primary school, secondary school, and higher education, employment or training

Section 2:

Promoting good attendance

The foundation for good attendance is a strong partnership between the school, parents and the child. The Home/School agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

To help us all to focus on this we will:

- Provide information on all matters related to attendance in our regular Newsletter or parent information letters

- Report to you on how your child is performing in school, what their attendance and punctuality rate is and how this relates to their attainments
- Meet with parents to discuss attendance or punctuality if this gives cause for concern
- Celebrate good attendance by displaying achievements
- Reward good or improving attendance through competition and certificates
- Set targets for the school and encourage everyone to work towards this goal.
- Engage with other agencies eg School Nurses, Family Support Workers to support pupils and families with school attendance
- Utilise the Hampshire County Council parenting contract to improve attendance and/or punctuality if required

Roles and Responsibilities:

The Headteacher will:

- oversee, direct and co-ordinate the school's work in promoting regular and improved attendance and will ensure the Attendance Policy is consistently applied throughout the school.
- ensure that attendance is both recorded accurately and analysed. T
- ensure that attendance issues are identified at an early stage and that support is put in place to deal with any difficulties.

If absence is frequent or continuous, except where a child is clearly unwell, teachers will discuss with parent/carers the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the Headteacher.**

Teacher will:

- provide a welcoming atmosphere for children
- provide a safe learning environment
- encourage good attendance
- ensure that all students are registered accurately
- promote and reward good attendance at all appropriate opportunities.
- liaise with the Headteacher on matters of attendance and punctuality
- communicate any concerns or underlying problems that may account for a child's absence.
- Support pupils with absence to engage with their learning once they are at school.

Children will:

- Attend every day unless they are ill or have an authorised absence

- Arrive at school ontime
- Go to all their lessons
- Follow instruction of parents or teachers to register at the reception if they are late.

Parents and Carers will:

- Inform the school by 10 am on the first day of absence.
- Discuss with the class teacher/headteacher any planned absences at least 2 weeks prior to the absence.
- Support the school with their child in aiming for 100% attendance each year.
- Make sure that any absence is clearly accounted for by phone or text on the first and subsequent days of absence, or by letter if a phone is unavailable.
- Avoid taking their child out of school for non-urgent medical or dental appointments.
- Only request for leave of absence if it is for an exceptional circumstance, using the school Request Form.

Ensuring your child's regular attendance at school is a parent/carers legal responsibility (section of the 1996 Education Act) and permitting absence from school that is not authorised by the school creates an offence in law

Section 3

Recording Attendance

Legally the register must be marked twice daily.

This is once at the start of the school day

8.50am and again for the afternoon session between 1.00pm

Lateness /Punctuality

We believe it is important to be on time at the start of the morning and afternoon school sessions. The start of school is used to come together as a class and begin the learning for the day. If your child is late they can miss work, time with their class teacher getting vital information, cause disruption to the lesson for others, and can be embarrassing, leading to possible further absence. **ALL PUPILS ARE EXPECTED TO BE IN SCHOOL AT THIS TIME.**

All lateness is recorded daily. This information will be required by the courts, should a prosecution for non-attendance or lateness be necessary

- Arrival during the register time is recorded as Late
- Arrival after the close of registration will be marked as unauthorised absence code 'U' in line with county and Department for Education (DfE) guidance. This mark shows them to be on site, but is legally recorded as an absence.
- If a pupil is late due to a medical appointment, they will receive an authorised absence coded 'M'. Please be advised that where possible doctors and dentists appointments are to be made outside of school hours or during school holidays.

Pupils who are consistently late are disrupting not only their own education but also that of the other pupils. **On-going and repeated lateness is considered as unauthorised absence and will be subject to legal action** (see section 6 for further detail).

Parents, guardians or carers of pupils who have patterns of lateness will be contacted to discuss the importance of good time keeping and how this might be achieved.

If lateness persists, parents, guardians or carers will be invited to attend the school and discuss the problem and support offered. If support is not appropriate or is declined and a child has 10 or more sessions of unauthorised absence due to lateness recorded in any 10 week period the school or the Hampshire County Council will be required to issue parents with a penalty notice in accordance with Hampshire's Code of Conduct for issuing penalty notices for non-attendance (See section 6 of this policy for further detail).

Please collect your child promptly at the end of the school day. Where late collection is persistent and/or significantly late, the school is obliged to take any uncollected pupil to a place of safety and share concerns as necessary with other agencies. If one is available, the school will place a child into the after school club and provide the parent/Carer with the bill.

What to do if my child is absent?

[First Day Absence](#)

A child not attending school is considered a **safeguarding** matter. This is why information about the cause of any absence is always required.

If your child is absent you must:

- Contact us by 10 am on the first day of absence;
- Send a note in on the first day they return with an explanation of the absence , a letter is not required if you have telephoned the school office to report the absence.
- Call into school and report to reception

If your child is absent we will:

- Telephone you on the first day of absence if we have not heard from you; *This is because we have a duty to ensure your child's safety as well as their regular school attendance*

- Invite you in to discuss the situation with the Headteacher and/or class teacher, Deputy Headteacher if absences persist;
- Refer the matter to the Hampshire's Attendance Legal Panels if absence is unauthorised and falls below 90% .

Third Day Absence

Please Note: If your child is not seen and contact has not been established with any of the named parent/carers after three days of absence the school is required to start a ***Child Missing in Education*** procedure as set down by Hampshire County Council Guidance. We will make all reasonable enquires to establish contact with parents and the child including making enquires to known friends, wider family and could **visit the family home to try and establish contact.**

Ten Day's Absence

We have a legal duty to report the absence of any pupils who is absent without an explanation for **10 consecutive** days. If the child is not seen and contact has not been established with the named parent/carer then the Local Authority is notified that the child is '**at risk of missing**'. Children's Services Staff will visit the last known address and alert key services to locate the child. So help us to help you and your child by making sure we always have an up to date contact number. There will be regular checks on telephone numbers throughout the year.

Continued or Ongoing Absence

If your child misses 10% (3 weeks / sessions) or more schooling across the school year for whatever reason they are defined as **persistent absentees [PA]**.

Absence for whatever reason disadvantages a child by creating gaps in his or her learning. Research shows these gaps affect attainment when attendance falls below 95%. As such we monitor all absence thoroughly and all attendance data is shared with the Local Authority and the Department for Education.

If your child has had absences and their attendance level is falling towards 90% we will contact you and request a meeting to discuss the reasons for the absence, we will discuss how this can be improved through the provision of an Attendance Plan.

All our **persistent absentee** pupils and their parents are subject to an Attendance Plan or home school contract and these may include:

- Planning for improved attendance or prompt arrivals;
- Scheduled meetings with parents/carers to monitor the plan and check progress;
- Specify timings; improvement over a specific period, details of acceptable arrival times, % improvements to achieve target;
- Involvement of external agencies for Parental support;

- Programme to support any work missed.
-

All to be discussed and agreed according to individual needs.

Section 4:

Request for Leave of Absence:

Amendments to school attendance regulations were updated and enforced from September 2013: (Pupil registration) (England) regulations state that **Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.** It is important to note that Headteachers can determine the length of the authorised absence as well as whether absence is authorised at all.

The fundamental principles for defining ‘exceptional’ are rare, significant, or unavoidable which means the event could not reasonably be scheduled at another time. There are no rules on this as circumstances vary from school to school and family to family. There is however, no legal entitlement for time off in school time to go on holiday **and in the majority of cases holiday will not be authorised.** Parents/Carers wishing to apply for leave of absence need to fill in an application form available on request from the school office or website; www.greenfields-iun.hants.sch.uk, at least 2 weeks prior to the absence and in advance and before making any travel arrangements.

If term time leave is taken without prior permission from the school, the absence will be unauthorised and if the number of sessions absent hits the thresholds set down in Hampshire’s Code of Conduct parent/carers will be issued with a fixed-penalty fine, or other legal action in accordance the code (see section 6 for detail).

Taking holidays in term time will affect your child’s schooling as much as any other absence and we expect parents to help us by not taking children out during school time.

Section 5:

Understanding types of absence:

Pupils are expected to attend school every day for the entire duration of the academic year, unless there is an **exceptional reason** for the absence. There are two main categories of absences:

- **Authorised Absence:** is when the school has accepted the explanation offered as satisfactory justification for the absence, or given approval in advance for such an absence. If no explanation is received, absences cannot be authorised.
- **Unauthorised Absence:** is when the school has not received a reason for absence or has not approved a child’s leave of absence from school after a parent’s request. This includes:
 - parents giving their children permission to be off school unnecessarily such as for shopping, birthdays, to look after siblings

- truancy before or during the school day
- absences which have not been explained

A school can, if needed, change an authorised absence to an unauthorised absence and vice versa if new information is presented. Any changes will be communicated to parents/carers. An example of this would be where a parent states a child is unwell but on return to school there is evidence they have been on holiday.

Section 6:

Penalty Notices for Non Attendance and other Legal Measures:

In Education law, parents/carers are committing an offence if they fail to ensure the regular attendance of their child of compulsory school age at the school at which the child is registered, unless the absence has been authorised by the school.

Legal Measures for tackling persistent absence or lateness

Hampshire Schools and Hampshire County Council will use the full range of legal measures to secure good attendance. Legal measures will only be considered through a referral to Hampshire's Attendance Legal Panels where:

1. The child or family do not require the support from any agency to improve the attendance
2. The child has 10 or more sessions of unauthorised absence in any continuous 100 session period, and parents are complicit in the child's absence.

The following legal measures are for pupils of compulsory school age who are registered at a school:

- Parenting contracts set at Education Planning Meetings
- Parenting orders
- Penalty notices
- Education Supervision Orders
- Prosecution

Where a child has unauthorised absence the school must enforce Hampshire's Code of Conduct for issuing Penalty Notices or follow its guidance on other Legal Measures for Non-Attendance. The Code of Conduct is a statutory document that ensures that powers for legal sanctions are applied consistently and fairly across all schools and their families within the authority. A copy is available from <http://www3.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-for-parents/possible-penalties.htm>

The code of conduct states that Schools or Hampshire Local Authority will issue a Penalty Notice for any unauthorised absence where the pupil has been:

- absent for 10 or more half-day sessions (five school days) of unauthorised absence during any 100 possible school sessions – these do not need to be consecutive (codes G, U, or O on the register)
- persistently late (coded *U*) for up to 10 sessions (five days) after the register has closed
- persistently late before the close of the register (coded *L*), but the school has met with parents and has clearly communicated that they will categorise as unauthorised any further lateness (code *O*), and where the threshold of 10 sessions (five days) has been met
- absent for any public examinations of which dates are published in advance
- absent for any formal school assessments, tests or examinations where the dates have been published in advance
unless the issuing of a Penalty Notice would conflict with other intervention strategies in place or other sanctions already being processed.

Legal Measures for absence taken when the headteacher has declined parent/carers request for leave of absence

Where a pupil has unauthorised absence due to either:

1. non approval of a parent/carers request for leave of absence or
2. a holiday that has been taken without permission **and the unauthorised absence [coded G] is for 10 or more sessions (5 days) in any 100 possible school sessions then a penalty notice for non-attendance will be issued**

If a child has other types of unauthorised absence (coded O and U) and the family or child do not require any agency support to improve the attendance then a single Penalty Notice is issued for either:

1. **10 sessions (5days) of unauthorised absence or lateness in any 100 possible school sessions/10 week school period**
2. **1 or more sessions of unauthorised absence during a public exam, formal school assessment of testing where dates are published in advance.**

Parents and Carers will be warned of the likelihood of a penalty notice being issued for unauthorised absence either via a letter, through the leave of absence request form, or through the schools attendance policy and website. The penalty notice is a fine that is issued to **each** parent/carers who condoned (or was responsible for the child) during the period of unauthorised absence for which the fine has been issued. For each case of unauthorised absence the school or Hampshire County Council will decide whether a Penalty Notice is

issued to **one or more parent/carers** for each child. **N.B** This could mean four penalty notices for a family with two siblings both with unauthorised absence for holiday i.e. one Penalty Notice for each child to each parent.

Each penalty notice carries a fine of £60 if paid within 21 days of the penalty notice being posted. If the fine is not paid within 21 days the Penalty is automatically increased to £120 if paid within 28 days. If the fine remains unpaid the Hampshire County Council will consider prosecution for the non-attendance. Payment methods are detailed on the Penalty Notices themselves. Penalties are to be paid to Hampshire County Council and revenue resulting from payment of Penalties is used by the County Council to help cover the costs of issuing Penalty Notices and/or the cost of prosecuting recipients who do not pay.

Please note: If you pay the Penalty Notice and your child has further unauthorised absences additional legal action will be taken. For example, in the event that a Penalty Notice has previously been served to you due to unauthorised holiday, should your child have any future unauthorised leave this will result in further legal action for you, such as prosecution or an Education Supervision Order.

For further information parents/carers can request a leaflet from their school and should visit Hampshire County Council's website at: www.hants.gov.uk/education/hias/learning-behaviour-attendance/attendance-guidance-for-parents/possible-penalties

Section 7:

How parents can support their children in attending school

My child is trying to avoid coming to School. What should I do?

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Contact your child's class teacher/Headteacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons – difficulties with school work, bullying, friendship problems, family difficulties. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem. In some cases you may find it helpful to discuss the circumstances of your child's difficulties with another professional.

What can I do to encourage my child to attend School?

- Make sure your child gets enough sleep and gets up in plenty of time each morning.
- Ensure that he/she leaves home in the correct clothes and properly equipped.
- Show your child, by your interest, that you value his / her education.
- Be interested in what your child is doing in school, chat to them about the things they have learnt, what friends they have made and even what they had for lunch!
- Your child will bring home a book to share with you each day. Take time to share this together and fill in the reading diary together.
- Come along to school events parent briefings and performances

For many parents, your child attending school may be your first experience of being separated from them. This can seem daunting at first for both of you but consistency and a caring supportive home and school life will make the transition a quick and easy experience for you both.

Leavers

If your child is leaving our school (other than when transferring to secondary school) parents are asked to:

1. give the school information about their plans including any date of a move and your new address and telephone numbers, your child's new school and the start date when known. This should be submitted to our school in writing
2. If pupils leave and we do not have the above information, then your child is considered to be a 'Child Missing in Education'. This requires schools and Local Authorities to then carry out investigations to try and locate your child, which includes liaising with Children's Services, the Police and other agencies. By giving us the above information, these investigations can be avoided.

Absence through child participation in Public Performances, including theatre, film or TV work & Modelling.

Parents of a child performer can seek leave of absence from school for their child to take part in a performance. They must contact the Headteacher to discuss the nature and frequency of the work, whether the child has a valid performance licence and whether education will be provided by the employer during any future leave of absence. It is, however, at the Headteacher's discretion as to whether to authorise this and they will wish to discuss with you the nature and frequency of the absence. Any absence recorded as part of a child's participation in a public performance is recorded as C an authorised absence.

Absence through competing at regional, county or national level for Sport.

Parents of able sportsmen and women can seek leave of absence from school for their child to take part in a regional, county, national and international events and competitions. It is however, down to the headteachers discretion whether to authorise this and they will wish to discuss with you the nature and frequency of the absence and how learning will continue if absence occurs. Permission for your child to leave early or arrive late to attend coaching and training sessions are also at the discretion of the Headteacher and are not likely to be approved if it is a regular event, unless the sports club or association are providing an education tutor as part of their coaching.

Gypsy Roma Traveller Showman and Showman families

Please note pupils must have attended 200 sessions in a rolling 12month period to be able to request leave for work purposes. Absence of a child from a traveller family that has left the area may be authorised if the absence is for **work purposes only** and it is believed that the family intends to return. To ensure the continuity of learning for Traveller children, dual registration is allowed. That means that a school cannot remove a Traveller child from the school roll while they are travelling. When the Traveller is away the home school holds the place open and records the absence as authorised through the T code. Distance Learning packs for traveller children are not an alternative to attendance at school.

Further support & guidance is available from Hampshire's EMTAS Service.

Section 8

Record preservation

School registers are legal documents. We will ensure compliance with attendance regulations by keeping attendance records for at least 3 years. Computer registers will be preserved as electronic back-ups or microfiche copies.

Appendices

The Law

The Education Act 1996 Part 1, Section 7 states:

The parent of every child of compulsory school age shall cause him to receive efficient full-time education suitable-

- [a] To his age, ability and aptitude and
- [b] To any special needs he may have.

either by regular attendance at school or otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

The legislation that appertains to children who are of compulsory school age and are registered at school is contained within this Act.

Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school.

Appendix 2

Term time absence: Final position following Isle of Wight Council v Platt decision in Supreme Court – April 2017

Further to our previous update on 5 September 2016, the Supreme Court has now delivered its judgment in relation to the Isle of Wight Council's appeal which sought clarification on what is meant by "fails to attend regularly" in the context of a prosecution for unauthorised non attendance at school.

The Supreme Court said that "regular" means "in accordance with the rules published by the school" and rejected the view that regular meant "sufficiently frequently". This clarifies the position regarding attendance and it is clear that schools can continue to determine whether an absence is authorised and that schools need to abide by the Hampshire County Council's Code of Conduct when issuing Penalty Notices. Schools should now be fully implementing Hampshire's Code of Conduct where needed.

A Department for Education (DfE) spokesperson said:

"We are pleased the Supreme Court unanimously agreed with our position – that no child should be taken out of school without good reason. As before, headteachers have the ability to decide when exceptional circumstances allow for a child to be absent but today's ruling removes the uncertainty for schools and local authorities that was created by the previous judgment.

"The evidence shows every extra day of school missed can affect a pupil's chances of achieving good GCSEs, which has a lasting effect on their life chances.

"We will examine the judgment carefully and will update schools and local authorities as soon as possible so they are clear what the judgment means for them.

A more detailed schools communication will be issued once further guidance has been received from the DfE. In the meantime please be reminded that our Code of Conduct says a Penalty Notice can be issued when there has been 10 sessions of unauthorised absence in a 100 day period.

We are operating our Code of Conduct as normal but please check with your LICO first regarding the legal time frame for issuing for Penalty Notices relating to unauthorised absences occurring prior to the Supreme Court Judgement by e mailing penalty.notices@hants.gov.uk .
